CHANGING THE WAY WE SEE THE GAME

This session will be the first in a series of education sessions which will look at the many rule changes that are being implemented into Canadian soccer for 2017.

The session will involve both classroom and gym based education and will also look at “dealing with the pressure of the game”.

The session is directed at all referees officiating the 11v11 game from the recreational level through to Regional! We strongly encourage all TSA based referees to attend as this will show commitment to self improvement- an important element of refereeing in our District

Attendance is FREE- ALL referees are welcome, and there is no need to RSVP.
